

The Young Inventor's Club

by If not you brands?

Teacher Name: _____

CLASSROOM CODE: _____

Attention Parents:

Looking for a way to inspire creativity in your kids?

The "If Not You, Then Who?" Book Series, created a club for kids ages 5-7 with a mission to inspire children to solve real-world problems with **innovation** and **creativity**.

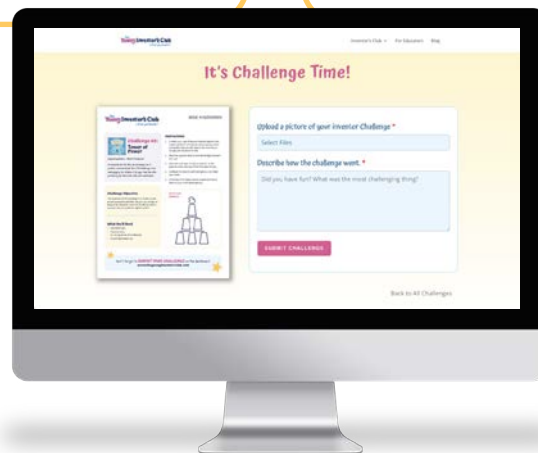

Your child will learn:

- What an invention is and how past inventions came about
- About history's greatest inventors
- Most importantly, how to come up with inventions of their own!

As a parent you'll receive:

- Monthly hands-on, printable, quick & easy STEAM activities to engage curious kids.
- Videos to guide your child through the challenges.
- A dashboard to keep track of all the activities.

Submit challenges for chances to win exclusive prizes!

The Young Inventor's Club
INVENTOR'S SHOWCASE

Compete in fun competitions like The Inventor's Showcase!

Joining is FREE and EASY!

1. Visit www.theyounginventorsclub.com
2. Sign-up, create an account, and make sure to use your **unique classroom code**
3. Complete your profile & start inventing!
